CLASS HISTORY

*** James Ray Petty

On a crisp, cool day in September, 1937, our little group of six year olds started out in grammar school in search for education. The members of the senior class that started on this day are: Bobbye Jo Burris, Wandah Edmonson, William Isbell, Nancy Jamison, Lois Pace, James Ray Petty, and Ruth Wright. This group advanced to East Ward and on to the gym. On our way through grammar school we accumulated several members, they are: Bernard Bollman, Peggy Bynum, Billy Hale, Lenoard Johnson, and George Pierson.

On another September morning in 1944, we enrolled as freshmen. In the years that we have been in C. H. S. we have gained many more members, they are as follows: Joyce Abernathy, Elaine Adrian, Elder Allbritton, Betty Bailey, Ruth Bailey, Sue Nell Bearden, Mary Ellen Burrow, Thomas Clark, Edwina Coltharp, Glenna Coltharp, Delmalene Decker, Betty Jo Fuller, George Gordon, Glenna Hickey, Beth Johnston, Katie Logan, Louise Lyon, Marvin Mabry, Quida Martin, Vanoy McFadden, Betty Jane Rains, Mildred Reed, Harlan Sewell, Billy Smith, J.D. Smith, Nonette Smith, Virginia Stewart, Jesse Stiles, Marian Taylor, Bobbye Thames, Lois Vaughan, Don Ward, and Kenneth Woodall.

We feel that our high school days have been very exciting. One of the principal reasons is our football team. "Our Tigers" have won District Championship for two successive years. The lettermen from the senior class on this team are: Jesse Stiles, Elder Allbritton, George Gordon, Billy Hale, Billy Smith, and Kenneth Woodall. The Tiger Sweetheart is also a senior -- Bobbye Jo Burris. The cheer leaders from our class are Beth Johnston, and Betty Jane Rains. The graduating band officials are: Drum Major-James Ray Petty, Majorettes-Ruth Wright, Edwina Coltharp, and Marian Taylor, Flagbearers-Glenna Coltharp, and Nancy Jamison. The members of the Tiger Claw Staff from our class are: Bobbye Jo Burris, Virginia Stewart, Edwina Coltharp, James Ray Petty, William Isbell, and Jesse Stiles. The members of the Tiger Rag Staff in this class are: Nancy Jamison, George Pierson, and Lenoard Johnson.

As the light goes out on our school days, we, the members of the class of 1948, can truthfully say that it is the end of a perfect day.

MAKING A MAN

Hurry the baby as fast as you can,

Hurry him, worry him, make him a man.

Off with his baby clothes, get him in pants,

Feed him on brain foods and make him advance.

Hustle him, soon as he's able to walk,

Into a grammar school; cram him with talk.

Fill his poor head full of figures and facts,

Keep on a-jamming them in till it cracks.

Once boys grew up at a rational rate,

Now we develop a man while you wait,

Rush him through college, compel him to grab

Of every known subject a dip and a dab.

Get him in business and after the cash,

All by the time he can grow a mustache.

Let him forget he was ever a boy,

Make gold his god and its jingle his joy.

Keep him a-hustling and clear out of breath,

Until he wins--nervous prostration and death.

COACH
RAYMOND BENNETT

The following poem was used to introduce Coach Bennett at the Football Banquet. We think it is a clever poem, and it also expresses our appreciation to him for all he has done for our team and our school.

Coach Bennett we present to you.
To him all honor and praise is due
For leading our team through thick and thin.
He made us District Champions again.
There is no finer Coach in the Lone Star State
Than our own Coach Bennett
Oh, Boy! He's Great!

Donald Humphrey also went out for football but he was sick when the picture was taken.

The Clarksville Tigers started on the road to District Championship when they defeated Deport 31-0.

After this splendid start they ran up a 12-0 victory over Cooper, a 25-0 victory over Commerce, and a 46-0 victory over Honey Grove. This record was unusual because we were not scored upon in any district game, and only in one district play did an apponent cross our 20 yard line. Also this was the second consecutive year we have won district championship. We lost only two games, and our boys played exceptionally well during the entire season, even though we were outweighed in every game.

This year was the last year for several outstanding players.

Several of the boys were chosen for all district teams, and Jess Stiles was was chosen on the 4th all state team. These 29 boys and their splendid coach worked hard from the middle of August to the end of the season.

We of the Annual Staff of Clarksville High School wish to congratulate the Tigers for their fine performance in the field of athletics and we hope that the team of next year will be as successful as the last two have been.

Although our basketball team was able to win only half of their games, we are still proud of them. We know that they were not supported in basketball as they were in football. It is hard to play any game with very few people rooting for you. They played good, clean ball and we are proud of them.

We are proud of our band, because it has represented us so well on all occasions that our school has had to be represented. We would like to thank the band for supporting our "Tigers" so well throughout their season, and for featuring such splendid half-time shows. The person that should receive much credit for the band's achievements is their Director, Mr. Hays.

We would like to say to you and your splendid organization that we appreciate no little your services.

****

We are grateful to the Pep Squad for their loyal support to "Our Tigers." We feel that the Pep Squad had better co-operation, and was better, than it has been in many years. Much of the praise and honor for this organization should go to their sponsor - Miss Palma Jean Van Burkleo. They have supported, not only the football team, but the basketball team, as well.

We are very proud of the Social Committee for the wonderful dances that they have given us this year. I am sure that none of us will ever forget the "Sadie Hawkins Dance", Nov. 7, at 7:30. They had many cute ideas for the dance. For instance, they had cake walks, and also boys throwing their shoes in a pile and girls getting a shoe and trying to find the owner so that they could be partners for the next dance. Everyone got a big laugh when the game "Taking A Trip" was played. The program consisted of these three songs: "Temptation", "Feuden' and Fighting", and "Undertaker". Everyone had a splendid time at this dance, especially the boys because all expenses were paid by the girls. On Dec. 19, we had a Christmas Formal. The decorations this year were especially pretty. On the curtain written in big letters was "Merry Christmas." In the center of the gym, there was a big silver Christmas tree with blue lights all over it. Hanging from the rafters was a big Christmas Package and all wondered what was in it. At the beginning of the 15th dance it was opened and balloons went everywhere. There were beautiful decorations along the sides of the gym. I'm sure that none of the Seniors will ever forget this dance since it was their last Christmas Formal in C.H.S. We are also proud of the teachers of this organization because several times after the football games the students would want to go to the gym and dance, and you could always depend on these teachers to come and chaperon.

Yes, we are indeed grateful to this organization for giving us such wonderful dances. This year they have given several unusual dances. The Stag Dance and The Sock Hop were given in February and March. Both of these dances were a success. They wouldn't have been a success if it had not been for the cooperation of the Social Committee.
